XG0807DCW

PERFORMANCE, RELIABILITY & VALUE

GLOBAL DOMINANCE

XCMG is the World's 3rd largest construction machinery manufacturer, with branches, dealers and service agents throughout Australia.

SAFETY COMPLIANCE

The XG0807DCW complies with AS, NZS, ANSI and CE safety specifications and requirements for elevated work platforms.

DRIVE SYSTEM

A 24V DC electric drive motor is engineered to have no hydraulic leaks and better battery results, while also including 25% gradeability.

EASY MAINTENANCE

One of the standout features of this machine is the maintenance-free batteries with 30-amp charger plus no greasing required on scissor components.

COMPACT DESIGN

A compact design and zero turn radius makes it easier for the operator to navigate through narrow aisles and doorways.

USER FRIENDLY CONTROLS

Toggle and joystick controls, moveable controller and simple ground control switches with hour meter, fault warning and charge level.

*Designed to
perform...*

ELEVATING WORK PLATFORM

EXTENDABLE PLATFORM

The 4 stage 900mm extending platform with lock pedal for variable extension, plus lanyard connection points in all four corners, creates a larger, safer and more versatile working area for the operator.

ADDED OPERATING FEATURES

A charge port and battery level display under steps, front wheel drive with multiple disc brakes, and fold-down rails with attached clips ensure easy use and safety for the operator.

EXCELLENT DESIGN

Premium componentry throughout, fork sleeves and chain lugs for easy lifting and transport, and non-marking wheels as standard.

FASTER LIFTING

Faster lift speeds than many competitors and lift prevention on angled gradient, ensures more efficiency, less time spent waiting and improved safety for the operator.

SAFETY FEATURES

2x e-stops plus isolator, manual override emergency release, pothole protection bar below chassis, plus motion, gradient and load warning audible alarms, ensure operator and bystander safety.

UNMATCHED SUPPORT

Product experts at your local dealer provide exceptional support throughout your machine's lifetime: operation, maintenance and service from the delivery date through to its very last day on the job.

...built to last.

ABOUT US

INDUSTRY EXPERTISE

XCMG is one of Australia's fastest growing construction, mining and agriculture equipment suppliers.

Offering premium quality excavators, wheel loaders, compaction rollers, graders, elevated work platforms and more, XCMG has the products *and* the support to keep you working on any job site.

MACHINERY SALES

XCMG know construction, mining and agri machinery. Count on our dedicated and knowledgeable team of product experts to take the time to understand and satisfy your machinery needs by recommending the right solution for the job.

AFTERMARKET SUPPORT

We're here to help keep you and your machine working. With an exceptional over-the-counter fill rate on spare parts, you're assured that when you buy an XCMG machine, you'll be looked after throughout your machine's entire lifetime, from start to finish.

Every service job is as important to us as it is to you, and with a dedicated team of machinery technicians, we have ample resources to look after any of your machine repairs or servicing requirements quickly and efficiently.

RENTALS & HIRE

If you need a high-performance machine with reliability you can trust, and the flexibility of hiring, we have you covered.

Our fleet is diverse, with machines to suit almost any job. Furthermore, because our rental fleet is maintained by factory-trained technicians, you can be confident that you'll not only be getting the best machines on the market, but that it's going to work as hard as you do, day-in day-out.

ABOUT

The World's 3rd largest manufacturer of construction and mining equipment.

Founded in 1943 - equipped with more than 8 decades of experience in the industry.

Manufacturing facilities located around the world: USA, Germany, China, Brazil and India.

Extensive supply chain and dealer network throughout Australia offering premium aftersales service and parts support.

Deep relationships with corporate giants Rio Tinto, BHP and MMG in Australia.

MINI / LARGE EXCAVATORS

1 to 100+ Tonne

WHEEL LOADERS

5 to 100 Tonne

COMPACTION ROLLERS

1.5 to 30 Tonne Smooth & Padfoot

GRADERS

7.5 to 70 Tonne

ACCESS EQUIPMENT

Lift Heights from 5 to 21 Metres

MINING TRUCKS

20 to 100 Tonne
